LEXINGTON PLANNING BOARD AND BOARD OF ADJUSTMENT

On March 23, 2015, City Council adopted Ordinance No. 15-28 merging the duties of the Lexington Historic Preservation Commission with the Lexington Planning Board in accordance with NCGS 160A-400.7, which allows municipalities this authority contingent upon at least three members of the combined board having a special interest, experience or education in history architecture, archaeology or related fields. Members of Lexington Planning Board and Board of Adjustment may serve two consecutive three-year terms. Each Councilor representing a ward will appoint a representative from each of their respective City voting wards, unless the historic preservation board member requirement must be fulfilled; which in that case, the Councilor will have the authority to choose a “qualifying” member from across the City instead of a ward resident to fill the vacancy. Two Board of Adjustment members are designated by the Mayor to serve as alternates for one year. Meetings are held the third Monday of each month at 6:00 p.m. at City Hall, 28 West Center Street, Lexington, North Carolina. (All addresses are Lexington, C)
