Parks and Recreation Program Guide September 2017 - February 2018

What are you doing to be #ActiveFirst?

Between work demands, kid's activities, and technology constantly buzzing at our fingertips, it is often hard for adults to remember to take time to care for themselves. The Lexington Parks and Recreation Department tag line is #ActiveFirst. We have developed a Program Guide packed with opportunities for you to stay physically and mentally #ActiveFirst.

Lexington's parks are a great low-cost way to stay #ActiveFirst without worrying about a gym schedule. Enjoy the many walking/jogging trails, basketball courts, tennis/pickleball courts, mountain bike trails, or fitness stations. If you are looking for a more structured physical activity, try Walking with Ease, Sweatin' and Dancin', Flag Football, or Intro to Kayaking.

Remember that wellness goes beyond being physically #ActiveFirst. Your mental health plays a huge role in your overall wellbeing. A craft class, Southside Seniors, or volunteering in the Community Garden might be just what the doctor ordered to relieve stress and keep your mind sharp.

I would like to challenge you to be #ActiveFirst both physically and mentally over the next few months by engaging in a new-to-you recreational activity. We believe that there is something for everyone in this guide. If you don't see an opportunity that piques your interest, please let us know!

Tell us how you are #ActiveFirst, and tag us on Facebook!

Laura Duran, CPRP
Director of Parks and Recreation

Parks and Recreation Staff demonstrated that we are serious about being #ActiveFirst with a kayaking trip this summer! Pictured left to right: KP, Laura, Beverly, Andrew, Austin, and Tammy

Want to Get Involved?

Volunteers

Many of the Lexington Parks and Recreation activities and events could not happen without community support. We would like to thank everyone who assists us through the year, and encourage you to contact us if you would like to get involved in some way.

Program Instructors

Do you have knowledge, skill, or talent you would like to share? Contact us if you would like to be an instructor.

Coaches

Coaches are a vital part of our youth athletic program. We always need coaches with a passion for working with children. For more information, contact KP Kilpatrick at FMKilpatrick@LexingtonNC.gov

Planning Committees

Our Multicultural Festival has a number of volunteers and committees that help us run the event each year. Contact Tammy Curry to see how you can be involved at TBCurry@LexingtonNC.gov.

Sponsors / Donations

The success of the department's programs and special events are dependent on generous sponsorships and donations from our community! The City of Lexington Parks and Recreation department would like to thank those who generously support local programs, festivals and special events! If you would like to become a sponsor, or donate to a worthy cause, please contact Andrew Lance at AGLance@LexingtonNC.gov.

City of Lexington Policies

Inclement Weather

If at any point it becomes unsafe to host or continue a program due to inclement weather, Lexington Parks and Recreation will postpone or cancel the event. For shelter reservations impacted by weather, users have three (3) business days to reschedule. For up-to date information on cancellations and closures, please call 336-248-3969, or check our Facebook page at

[facebook.com/COLParksandRec](https://www.facebook.com/COLParksandRec)

Program Changes and Cancellations

Programs are sometimes canceled or altered due to low registration or changes in staff or facility availability. Many programs have a minimum number of participants needed in order to run, and it is important that participants register by the registration deadline. You are entitled to a full refund for a program that has been canceled by the Parks and Recreation Department. Refunds are typically issued within 7-14 business days, in accordance with our Accounts Payable schedule. We do not give refunds for programs after they have started.

Photo Use

The City of Lexington Parks and Recreation Department may video tape or photograph participants enrolled in Lexington Parks and Recreation activities, classes, or programs, and may take photographs of people in City of Lexington parks. These photographs and/or video tapes are used in future program magazines, brochures, promotional literature, websites, or on cable television.

Additional Information

The full registration fee for a program is due at the time of registration. No spots will be held without full payment. We will take waiting lists for programs that are filled and expand a class maximum if possible. We may require proof of your city residency. Residents are considered those that live within the City of Lexington boundaries. Residents of the City of Lexington support Lexington Parks and Recreation programs, facilities and services through property taxes. Therefore, residents generally pay reduced fees and non-residents generally pay greater fees. Attending Lexington City Schools or your address being in Lexington, NC does not necessarily equate to your address being within the Lexington City limits. The quickest way to determine your City of Lexington resident status is to check your residence property tax bill, which lists the City you pay taxes to or call the Robbins Recreation Center at 336-248-3690.

Finch Park Reservations

Shelter and ball field reservations are available at Finch Park (all shelters at other facilities are first come first serve). There are five shelters and three ball fields that can be reserved in increments of three hours (see our website for more information). Reservation fees will be non-refundable. Every effort will be made to schedule an alternative date, should a cancellation due to inclement weather be necessary. In case of inclement weather, the user has three (3) business days after cancellation to reschedule (must be within current calendar year). Rental fees are listed below for your convenience.

You can now view and request to reserve shelters online!

registration.lexingtonnc.gov

Lexington Golf Club

Voted
"Top 5 Renovations
in the Country"

Lexington Golf Club is the finest option for a round of golf in the area. Here at Lexington Golf Club we combine a true commitment to tradition with a passion to continue improving our course in every way we can. Our course conditions rival the best of the Triad area's upscale clubs, and our rates are by far the best value in golf.

Commons on the Green

Perfect setting for
your next event

Commons on the Green offers the perfect setting for weddings, receptions, banquets, sales meetings, birthday parties or luncheons. The event center features a 4,500 square foot hardwood floor area with vaulted ceilings that can hold up to 300 people, and connects to a terrace that overlooks the 18th hole. The Commons provides and padded folding chairs at no additional charge. Reservations are required.

**For additional information about
Lexington Golf Club and Commons on
the Green, please call (336) 248-3950.**
