PHOTO USE

Lexington Parks and Recreation may photograph or video participants enrolled in activities, events, or programs, or in City of Lexington parks. These are used in program guides, brochures, website, social media, and other media publications.

REGISTRATION INFORMATION

The full registration fee for a program is due at the time of registration. No spots will be held without full payment. Programs at capacity will have a waiting list and additional people may be added if we are able. Residents are those that live within city limits and support Lexington Parks and Recreation through property taxes. The best way to determine residency is to check your property tax bill or contact us.

CHANGES AND REFUNDS

Programs may be adjusted or cancelled if the minimum number of participants is not met by the registration deadline. Full refunds are given for cancelled programs. Payments made in cash or by check are refunded in accordance with our accounts payable schedule, and are typically issued within 7-14 business days. Refunds are not given for programs after they begin.

INCLEMENT WEATHER

In the event of inclement weather, programs or events may be cancelled or postponed. For cancellations and updates, call our weather hotline at 336-248-3969 or check our Facebook page. Shelter reservation fees are non-refundable once they have been reserved. If you would like to cancel due to inclement weather, an alternate date can be scheduled, but must be done within three business days, and can only be rescheduled within the current calendar year.
